

BEAD BUDDY

Tools for mounting tyres and mousses. They are used to fix the tire to the rim during the mousse mounting. It fits between the tire bead and rim and can be hooked into the wires. This allows the bead wire to slide well into the rim for better tire mounting.

Warning:

Please take care of your safety when working. Always check the tool for damage (no sharp edges) before using it.

THE MANUFACTURER IS NOT RESPONSIBLE FOR ANY MISUSE OF THIS PRODUCT.

Dispose of the product in an environmentally friendly manner.
