

REPLACEMENT VISOR FOR ACERBIS HELMETS

WARNING: Do not apply stickers, petroleum or other products to the visor of the helmet.

WARNING to users

- no helmet can protect the wearer against all possible impacts
- no visor from any other manufacturer should be fitted to the helmet except the manufacturer's accessories
- avoid damage and deterioration by petroleum products, cleaning agents, paints, adhesives, etc.
- Use products designed for this purpose to clean the visor surface

Mounting and adjusting the visor: using the screws on the sides of the helmet

Dispose of the product environmentally at the end of its life.
