

Mounting kit for Acerbis disc protector

Mounting: see attached picture

Maintenance: regularly check that the screws on the mounting kit are tightened, in case of any damage, replace the mounting kit.

**WARNING:** Never drive off if the disc protector or any part of the mounting kit is damaged. If the plastic protector gets into the wheel, the wheel could lock up.

Failure to follow the above instructions may affect the handling of the motorcycle, possibly resulting in an accident.

Environmentally dispose of the product at the end of its useful life.
